Half Term Core Value

Dear Parents and Families,

Welcome to the Summer! It is wonderful to be back and I hope the holidays proved to be relaxing, if not filled with sunshine. We begin our term with our new value- 'I am Aspirational'. We considered aspirations beyond goals in today's assembly- can an aspiration be 'to be...'? We considered being kind, being supportive, being curious, being resilient and more. We discussed the idea of being architects of our own lives, and how we can become active in creating the life we want to lead. This led us to our exploration for the week: can an aspiration, a goal, a target be 'to be happy'? Can we learn how to be happy, or is happiness a result of our successes or surroundings? We will see where our enquiry takes us over the next few weeks!

Congratulations to Team Earth who were our House Winners last term- the slate has now been wiped clean and we begin again to work towards excellence and consistency to support our house team. Good luck everyone!

PE Days

Smoothie Bike

On Thursday 25th April, we have a Smoothie Bike coming into School. Children will all have a turn to cycle to make their own smoothies; everyone gets active and refreshed. This is an exciting way to promote healthy lifestyles to children.

Attached Documents

There are few documents attached to this newsletter, please find the attached; Spring Summer 2024 Lunchtime Menu Sheffield SEND Local Offer Leaflet Sheffield Parent Hub – Positive Parenting Leaflet Mount St Marys – open after noon for current Y5 pupils on 6th May

Dinner Debts

Please take some time this week to check if you have any outstanding amounts on you ParentPay account. If you have a dinner debt of £20 or over, please provide your child with a packed lunch until the debt is cleared.

Social Media and Internet Safety- Reminder

It is becoming and increasing concern across the year groups that children are more regularly exposed to social media and video content which is regarded as unsuitable for primary school age. Though our filtering system, Smoothwall, ensures Youtube, Veo and other video platforms, along with all social media sites are inaccessible to students, it is clear that these sites are accessed by many pupils regularly outside of school. We ask that parents undertake a regular check on social media and internet use to ensure access to undesirable and unsuitable content is restricted as much as possible.

Mobile Phones: Reminder

Recently, we have had several incidents of mobile phone not being handed into the office as per our policy. We understand and encourage mobile phones for those walking home alone as a safety tool, however, due to the technology they now possess, we cannot allow children to have phones on their person during school time. The access to cameras and video, social media access, unfiltered internet access and an ability to share between students in and outside of school, phones present a safeguarding risk for both the adults and children in our school community, and therefore they must be locked away during school time. We hope you appreciate the risk associated with the technology and support us with managing phone use in school.

Does your child or young person have a special educational need or disability?

Sheffield City Council has a website with information about support and services for children and young people with special educational needs and disabilities aged 0-25 years. This is known as the 'Local offer'. It is part of a website called the **Sheffield Directory**, which also covers services for adults, children and families.

The Local Offer provides information on:

- Childcare
- Education and Training
- Transition into Adulthood
- Health and Wellbeing
- Money Matters
- Things to Do
- Help with Caring
- Getting Around
- Staying Safe
