

22nd April 2024

Half Term Core Value

Dear Parents and Families,

Yet again we begin a week with another wet and drizzly morning; we hope you managed to enjoy the weekend's more summer-like weather! Our theme this week is 'natural consequences', particularly looking at how our decisions affect responses and outcomes. We considered our expectations within obvious situations such as 'choosing not to wear a coat at playtime', and 'choosing to climb a tree', predicting the logical and possible outcomes, before relating this to our social behaviours. We considered what consequences we're likely when choosing games like rough play, active games, particular friendship group choices and reflecting on our own behaviour choices, each time considering whether we would be comfortable with the consequence. This week's challenge is to reflect on our choices, ensuring we have been able to consider the outcomes and consequences before we act, and *owning our actions* when the consequence is not quite as positive as we'd like.

PE Days

Y3 CL = Monday and Friday	Y5 GO = Monday and Thursday
Y3 GM = Tuesday and Wednesday	Y5 GL = Monday and Tuesday
Y4 KW = Tuesday and Wednesday	Y6 LW/LH = Friday
Y4 MO = Tuesday and Thursday	Y6 JO = Thursday

Hollowford – Place Available

A place has become available for our Y5/6 Residential to Hollowford. Wednesday 12th – Friday 14th June. If your child is interested please either call or come into the school office.

Hollowford – Payment Reminder

The payment deadline for Hollowford is Friday 31st May. Please can you ensure the full amount due is paid via your Parent Pay account before this date.

Smoothie Bike

On Thursday 25th April, we have a Smoothie Bike coming into School. Children will all have a turn to cycle to make their own smoothies; everyone gets active and refreshed. This is an exciting way to promote healthy lifestyles to children.

to

Food Bank Collection

Foodbank Collection – Friday 26th April. As you are aware, as a school we support the S20 Foodbank. There will be a donation collection day at school on Friday 26th April. Please note the foodbank are unable to include fresh or chilled foods in the parcels, they welcome dried or tinned foods.

Dinner Debts

Please take some time this week to check if you have any outstanding amounts on you ParentPay account. If you have a dinner debt of £20 or over, please provide your child with a packed lunch until the debt is cleared.

Water Bottles

Now the weather is getting warmer, please could you ensure your child brings a water bottle to school every day. We have water fountains to provide cool water in various locations to top up bottles throughout the day to keep hydrated.

Community Support

Many of you will be aware that over the weekend one of our families suffered a house fire causing significant damage and loss. Lots of our school and extended community have already kindly been offering donations and help. To help them start to rebuild their lives, the family has set up a Go Fund Me page. We know lots of you are aware of this, however, with permission from the family, we are sharing the link for those of you who may wish to donate.

The donation page can be found at: <u>https://gofund.me/2694bc2a</u>

The family are very appreciative of all the donations and support they are receiving,

Carnages to Sheffield Authority Absence Policy

Penalty Notice fines for School Attendance are changing

Please take some time to look at the 'Changes to penalty notice fines for school attendance' letter which will come into force from 19th August 2024. It is important that you have a look at this communication as there are a number of changes, including the fine amount and the introduction of fining for 10 sessions of unauthorised absence in a 10-week period. Please note that these changes are city-wide and not just for our school; they will be applied to all schools in Sheffield. Our attendance policy will be updated for September 2024 in-line with these changes.

Social Media and Internet Safety- Reminder

It is becoming and increasing concern across the year groups that children are more regularly exposed to social media and video content which is regarded as unsuitable for primary school age. Though our filtering system, Smoothwall, ensures Youtube, Veo and other video platforms, along with all social media sites are inaccessible to students, it is clear that these sites are accessed by many pupils regularly outside of school. We ask that parents undertake a regular check on social media and internet use to ensure access to undesirable and unsuitable content is restricted as much as possible.

Mobile Phones: Reminder

Recently, we have had several incidents of mobile phone not being handed into the office as per our policy. We understand and encourage mobile phones for those walking home alone as a safety tool, however, due to the technology they now possess, we cannot allow children to have phones on their person during

school time. The access to cameras and video, social media access, unfiltered internet access and an ability to share between students in and outside of school, phones present a safeguarding risk for both the adults and children in our school community, and therefore they must be locked away during school time. We hope you appreciate the risk associated with the technology and support us with managing phone use in school.

Diary & calendar dates

Monday 22 nd April	Network Games at EIS
Thursday 25 th April	Smoothie Bike
Friday 26 th April	Food Bank Collection
Wednesday 1 st May	Class Photographs

Monday 6th May Day Bank Holiday
